## Procedural Allegations

1  
2 1. Petitioner is currently in the custody of the warden of Nevada State Prison, Carson  
3 City, Nevada, pursuant to a state court judgment of conviction and sentence of death. The  
4 conviction and sentence were entered on July 20, 1999 in the Second Judicial District Court of and  
5 for Washoe County, Nevada, by a three judge panel consisting of the Honorable Janet Berry, the  
6 Honorable Michael Cherry, and the Honorable Michael Memeo. The state court case is State of  
7 Nevada v. Terry Jess Dennis, Second Judicial District Court Case No. CR99-0611. Respondent  
8 Michael Budge is the warden of Nevada State Prison, and Brian Sandoval is the Attorney General  
9 of the State of Nevada. The Respondents are sued in their official capacities. Karla Butko is a  
10 former attorney for petitioner Dennis, for whom Mr. Dennis has "some regard," who seeks to enforce  
11 Mr. Dennis' constitutional rights because he is unable to do so due to his inability to make a rational  
12 decision with respect to continuing or abandoning further litigation of his capital conviction and  
13 sentence.

14 2. On March 29, 1999, the State filed an Information charging petitioner with one count  
15 of first-degree murder with the use of a deadly weapon. On April 14, 1999, the State filed a Notice  
16 of Intent to Seek the Death Penalty against the petitioner.

17 3. Two days later, on April 16, 1999, petitioner pleaded guilty to first degree murder  
18 with the use of a deadly weapon. He was canvassed by the district court, the Honorable Janet J.  
19 Berry, regarding the voluntariness of his plea, after which the district court accepted his plea.

20 4. On July 19, 1999, a penalty hearing was held before a three-judge panel consisting  
21 of the Honorable Janet Berry, the Honorable Michael Cherry, and the Honorable Michael Memeo.  
22 Mr. Dennis testified at the penalty hearing. On July 20, 1999, the three judge panel found three  
23 aggravating circumstances, that the petitioner had two prior felony convictions for assault, one of  
24 which was in 1979 and the other in 1984, and one prior felony conviction for arson in 1984. The  
25 panel found two mitigating circumstances, that the petitioner was under the influence of alcohol  
26 when he killed the victim, and that petitioner suffers from mental illness. The panel found that the  
27 mitigating circumstances did not outweigh the aggravating circumstances and sentenced petitioner  
28 to death.

1           5.     On, August 19, 1999, petitioner filed a timely notice of appeal to the Nevada Supreme  
2 Court, Case No. 34632.

3           6.     On December 4, 2000, the Nevada Supreme Court affirmed the conviction and  
4 sentence. Dennis v. State, 116 Nev. 1075, 13 P.3d 434 (2000). Ex. 58.

5           7.     On April 9, 2001, petitioner filed a pro se petition for post-conviction relief in the  
6 Second Judicial District Court, Case No. CR99-0611. The pro se petition challenged the conviction  
7 and sentence on grounds that he was denied effective assistance of counsel and appellate counsel.  
8 Petitioner also raised claims challenging the constitutionality of the three judge panel procedure and  
9 the failure to satisfy constitutional standards of impartiality through a system of contested judicial  
10 elections. Ex. 26.

11          8.     On February 14, 2002, counsel for petitioner filed supplemental points and authorities  
12 in support of the post-conviction petition raising the following claims: 1) trial counsel was  
13 ineffective for allowing petitioner to enter into a guilty plea agreement on a charge of capital murder,  
14 without any benefit of the bargain; 2) trial counsel was ineffective for not objecting to the  
15 aggravating circumstances presented by the state, as the prior felonies were not relevant to the instant  
16 crime and were remote in time; 3) petitioner was incompetent to waive his rights to a jury trial, trial  
17 counsel was ineffective for facilitating the plea, and the court was in error for accepting the plea; 4)  
18 ineffective assistance of counsel for deferring material decisions regarding the case, including the  
19 decision to plead guilty and waive his constitutional right to a jury to a mentally ill defendant; 5)  
20 trial counsel was ineffective for allowing petitioner to enter into a guilty plea to first degree murder  
21 when the facts admitted by petitioner do not amount to first degree murder under Byford v. State,  
22 116 Nev. 215, 994 P.2d 700 (2000); 6) ineffective assistance of counsel for allowing the panel to  
23 consider the three prior felonies as separate aggravators, without objection, as two were considered  
24 concurrent; 7) the trial court erred and trial counsel was ineffective, for considering petitioner's  
25 expressed wish to die as relevant to the penalty determination; 8) the deadly weapon enhancement  
26 was illegal; 9) trial counsel was ineffective in conceding that a belt is a deadly weapon; 10)  
27 ineffective assistance of counsel for failure to properly investigate and prepare for trial; 11) trial  
28 counsel was ineffective when she failed to move to suppress the illegally obtained statement of

petitioner; 12) trial counsel was ineffective when she failed to move to redact parts of petitioner's admitted illegal statement; 13) trial counsel was ineffective for failing to properly investigate possible mitigating factors, to put on witnesses and/or evidence in mitigation during sentencing; 14) ineffective assistance of trial counsel for advising and allowing petitioner to plead guilty even though there was a corpus delicti issue; 15) ineffective assistance of trial counsel for ineffective cross-examination of witness Lana Miller; 16) IAC for failure to hire various independent experts; 17) IAC for failure to withdraw as counsel in face of an irreconcilable conflict; 18) IAC resulted in prejudicial error; 19) three judge panel is unconstitutional; 20) three judge panel procedure is unconstitutional; 21) petitioner was not competent during the crime, his extreme intoxication amounted to temporary insanity under Finger v. State, 117 Nev. 548, 27 P.3d 66 (2001); 22) trial court erred in impermissibly allowing the state to shift the burden of proof to petitioner; 23) trial court erred in actually or constructively allowing petitioner to be deprived of medication to maintain a stable and competent state of mind; 24) NSC erred in considering Lana Miller's testimony, which was specifically excluded by the three judge panel and not part of the official record; 25) NSC performed no constitutionally adequate review of the waiver of petitioner's waiver of the jury trial; 26) failure to provide proportionality review; 27) prosecutorial misconduct in describing petitioner as a "serial" killer; 28) N.R.S. 200.033(2) is unconstitutionally vague and/or over broad under Walker v. State (prior felonies used as aggravators were not relevant to instant crime); 29) IAC of appellate counsel for failure to raise all claims of error listed in petition; 30) IAC of appellate counsel for his arguments referring to petitioner as a serial killer not supported by the record. Ex. 27.

9. After the initial briefing of the petition and supplemental petition, the Washoe County district court entered an order requesting that the parties brief the issues regarding Ring for its review. Petitioner and the state submitted supplemental briefs on the issue. On November 20, 2002, the District Court entered an order advising counsel to set the matter for an evidentiary hearing. Ex. 36.

10. On December 23, 2002, the state moved to reconsider the motion to dismiss the petition under Ring and Colwell. Ex. 37. Petitioner opposed the motion to reconsider on January 9, 2003. Ex. 38. Without an evidentiary hearing, on June 6, 2003, the district court entered an order

1 granting the State's motion to reconsider its motion to dismiss the petition. Ex. 40.

2 11. On June 25, 2003, petitioner filed a timely notice of appeal, and an opening brief was  
3 filed on September 16, 2003. Exs. 41, 43.

4 12. After the notice of appeal was filed, petitioner wrote to the district court, the district  
5 attorney, and the Nevada Supreme Court, expressing a desire to abandon the appeal in order to be  
6 executed. Ex. 42. On the state's motion, the Nevada Supreme Court, on October 22, 2003,  
7 remanded the case to the district court to determine if petitioner was competent to decide to  
8 withdraw the appeal. Ex. 48.

9 13. On December 4, 2003, the district court conducted proceedings to determine  
10 petitioner's competence and waiver of appeal. Ex. 51. After canvassing the petitioner, the court  
11 found him competent to waive his appeal and found that he voluntarily waived his right to pursue  
12 this appeal and entered its written order on December 22, 2003. Ex. 52.

13 14. On January 13, 2004, the Nevada Supreme Court entered an order directing counsel  
14 to file a "voluntary" waiver of appeal. Ex. 53. The waiver was filed on February 2, 2004. Ex. 59.

15 15. An amicus brief to the Nevada Supreme Court was submitted on January 26, 2004.  
16 Ex. 54. The brief was submitted by amicus curiae because it appeared that the parties did not  
17 contemplate adversary litigation of the issues before the Nevada Supreme Court. On March 12,  
18 2004, the Nevada Supreme Court denied leave to file the brief of amicus curiae and dismissed the  
19 appeal. Ex. 56.

20 16. All of the attorneys who represented petitioner in his previous proceedings were  
21 appointed:

22 Arraignment and plea; guilty plea:

Washoe County Public Defender  
(Maizie Pusich)

23 Sentencing:

Washoe County Public Defender  
(Maizie Pusich, John Reese Petty)

24 Direct appeal:

(John Reese Petty)

1        17.    Allegations with Respect to Exhaustion

2        All of the claims presented in this petition are exhausted. The claims alleged in petitioner's  
3 state habeas corpus petition, Exs. 26, 27, were fairly presented to the Nevada Supreme Court in the  
4 opening brief on appeal from the denial of relief. Ex. 43. The Nevada Supreme Court's failure to  
5 address those claims, by erroneously dismissing the appeal despite petitioner's incompetence, does  
6 not affect the fair presentation of the claims. See Smith v. Digmon, 434 U.S. 332 (1978) (per  
7 curiam).

PSYCHIATRIC ASSESSMENT

ER 0021

PATIENT NAME: DENNIS, TERRY  
MEDICAL RECORD #: 14209  
DATE OF ADMISSION: 08/12/98  
DATE OF ASSESSMENT: 08/27/98  
LOCATION: WEST HILLS HOSPITAL

PRESENTING PROBLEM:

This patient was referred for a vocational/rehabilitation assessment. The purpose of this referral was to assess appropriateness of rehabilitation services for Mr. Dennis.

MEDICAL:

Terry Dennis is a 51-year-old, white male, born on October 14, 1946. Mr. Dennis advised that he has been admitted to the hospital on this occasion because of depression and posttraumatic stress disorder, as well as using alcohol and discontinuing the use of his medication. He advised that he was in the hospital last month for a period of about three weeks.

We also discussed any physical limitations that might stop him from performing certain jobs; and he advised that he had a low back injury which limits his ability to lift, as well as Mr. Dennis having a limited ability for bending. He is able to sit for about one hour, stand for about 30 minutes and walk with no difficulty. He advised that he does not drive because he lost his license in the past and has not been able to financially renew it. When questioned how many hours he'd like to work on a daily basis, he advised that he would like to work as many as possible without jeopardizing his Social Security benefits.

He is currently taking Prozac, Buspar and Vistaril.

EDUCATION:

Terry was able to complete high school in Seattle. When he was incarcerated, he received training in electronics which was equivalent to the community-college level training, with training in electronics as well as in advanced mathematics. He advised that, when he was in high school, he did not do well from a grade standpoint; he was able to maintain about a C average. However, when he was in college, he maintained an overall grade-point average of 3.75, with a 4.0 in math.

Mr. Dennis was in the Air Force from 1965 until 1968 and received electronics training as well as administrative clerk training. He was stationed in Mississippi as well as in Thailand. In 1966 he had a suicide attempt, which is why he was switched to an administrative clerk position. He did receive an Honorable Discharge.

PATIENT NAME: DENNIS, TERRY

VOCATIONAL HISTORY:

Mr. Dennis' work history is sparse during the last year or so; but prior to that he was able to maintain employment for a period of about 15 years as a glass cutter. The following is an account of his vocational history for the last 16 years:

He was employed by the Flamingo Hilton as a porter in May of 1998, and he worked there for about eight days. He was having problems from a physical standpoint, in that his lower back was bothering him when vacuuming, cleaning the windows and emptying the trash. He quit this job.

He worked for Labor Ready, on and off, for about a year or so, doing part-time work and temporary jobs. It is difficult for him to accept many of the jobs they have available because they are too physical. He explained that, if he turns down employment opportunities, then his name essentially gets put to the bottom of the list. The pay was very low for most of these jobs.

He was living in a rooming house in Reno and was doing some odd jobs for the owner of this rooming house. He classifies himself as being somewhat of a handyman; however, at this time he does not have any tools.

For a period of about 15 years in the State of Washington, he was employed as a glass cutter for several companies. One of the companies was Weather Master; and he was employed with that company for five years. He earned about \$9.75 an hour. He did glass cutting and glazing and would work with window glass as well as doing some installations. He would not be able to return to this type of work because it is beyond his physical limitation. In fact, he was working in this capacity, that is, as a glass cutter, when he injured his low back.

VOCATIONAL INTERESTS:

Mr. Dennis and this counselor discussed first his transferable skills, with Terry explaining he has had some experience with filing; and he is definitely mechanically inclined. In addition, he has also had some supervisory experience, in that he was in low-level management.

In terms of his current interests for employment, he is at this time unsure what type of work he would like to do. However, some

PATIENT NAME: DENNIS, TERRY

of the suggestions that this counselor gave were that of electronics assembly (given the fact that he has had some electronics training in the past), as well as maybe working in a light warehouse setting. He seemed interested in both of these ideas. He would be most interested in returning to employment on a part-time basis.

SOCIAL:

Terry Dennis is 51 years old and is single. He was born in Everett, Washington. He has one child, a son who is age 22, who lives with his mother in Seattle.

Terry explained to this counselor that he believes that his doctor recommended vocational rehabilitation because he would like to become involved in some type of meaningful activity. He has been collecting Social Security disability for about one year and has not had any meaningful employment since that time.

In terms of hobbies, he advised that he used to enjoy fishing, playing guitar, working with wood, building and making things, as well as doing some crossword puzzles. At this time most of his day is spent watching television.

He explained that he will be discharged on August 28, 1998, and will be moving into a boarding house in Sparks. He plans on staying in this area and has been here for about three years.

When discussing his past in relation to drugs or alcohol or incarceration, he advised that he has been incarcerated three times -- in 1970 and 1972 for possession of marijuana, in 1984 to 1986 for second-degree assault and arson, and most recently from July of 1997 until November of 1997 for suspicion of battery; however, he did advise that he was not responsible for the most recent offense.

FINANCIAL:

Mr. Dennis has been receiving Social Security disability for about one year because of the chronic depression and posttraumatic stress disorder. He is receiving \$683 a month. His expenses at the boarding house will be \$400, which will include food and utilities. The remaining money he will be using for miscellaneous expenses such as clothing and the bus pass. Mr. Dennis did mention that he does not have any clothes except for those he is wearing on his

PATIENT NAME: DENNIS, TERRY

back, which is in relation to the incident that occurred in November of 1997 when he was incarcerated, in that he has lost all of his personal possessions.

GROOMING AND APPEARANCE:

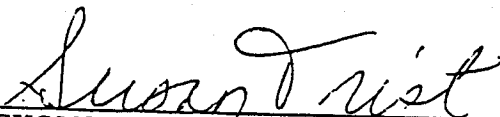

Mr. Dennis was casually but appropriately dressed and groomed for the initial assessment and appeared interested in the vocational rehabilitation process.

APPROPRIATENESS OF REFERRAL:

It appears as though Mr. Terry Dennis was an appropriate referral for vocational rehabilitation, since at this time he is not working and has a desire to return to some type of employment to supplement his Social Security benefits.

ACTION:

At this time this counselor will be following up with job contacts in the area of electronics assembly and/or light warehouse work. In addition, this counselor recommended to Mr. Dennis that he follow up with Unemployment, that is, register with them, so that any suitable jobs that come available he can qualify for and also to pursue the information he had gathered previously from the V.A. in regards to vocational rehabilitation. Finally, I provided him with the telephone number for the Bureau of Vocational Rehabilitation and suggested that, if he is interested in continuing his previous training or to obtain some updated training, he may want to determine whether he qualifies for services through the State.

## ARMED FORCES SECURITY QUESTIONNAIRE

## I.—EXPLANATION

1. The interests of National Security require that all persons being considered for membership or retention in the Armed Forces be reliable, trustworthy, of good character, and of complete and unswerving loyalty to the United States. Accordingly, it is necessary for you to furnish information concerning your security qualifications. The answers which you give will be used in determining whether you are eligible for membership in the Armed Forces, in selection of your duty assignment, and for such other action as may be appropriate.

2. You are advised that in accordance with the Fifth Amendment of the Constitution of the United States you cannot be

compelled to furnish any statements which you may reasonably believe may lead to your prosecution for a crime. This is the only reason for which you may avail yourself of the privilege afforded by the Fifth Amendment in refusing to answer questions under Part IV below. Claiming the Fifth Amendment will not by itself constitute sufficient grounds to exempt you from military service for reasons of security. You are not required to answer any questions in this questionnaire, the answer to which might be incriminating. If you do claim the privilege granted by the Fifth Amendment in refusing to answer any question, you should make a statement to that effect after the question involved.

## II.—ORGANIZATIONS OF SECURITY SIGNIFICANCE

1. There is set forth below a list of names of organizations, groups, and movements, reported by the Attorney General of the United States as having significance in connection with the National Security. Please examine the list carefully, and note those organizations, and organizations of similar names, with which you are familiar. Then answer the questions set forth in Part IV below.

2. Your statement concerning membership or other association with one or more of the organizations named may not, of itself, cause you to be ineligible for acceptance or retention in the

Armed Forces. Your age at the time of such association, circumstances prompting it, and the extent and frequency of involvement, are all highly pertinent, and will be fully weighed. Set forth all such factors under "Remarks" below, and continue on separate attached sheets of paper if necessary.

3. If there is any doubt in your mind as to whether your name has been linked with one of the organizations named, or as to whether a particular association is "worth mentioning," make a full explanation under "Remarks."

## VII. COMMENTS OF REPORTING OFFICIAL (Be factual and specific. Add any comments which increase the objectivity of the rating.)

**FACTS AND SPECIFIC ACHIEVEMENTS:** Airman Dennis has consistently performed his duties in an outstanding manner. During a critical period involving a shortage of administrative clerks, compounded by an increased influx of personnel, he was solely responsible for the in and out processing of the entire squadron. He established policies and procedures to insure continuity, timeliness and efficiency of the hectic, but important, task of processing. He voluntarily devoted many 12 hour days and 6 day weeks to help maintain the operating effectiveness of the squadron Orderly Room. During the Orderly Room clean-up campaign, Airman Dennis again worked many off duty hours contributing to the painting, cleaning and renovation of the squadron Orderly Room while still exercising his administrative duties in an outstanding manner. Airman Dennis strives for proficiency in all aspects of his administrative duties. When other administrative personnel were burdened with projects or time consuming tasks, he never failed to lend a helping hand. He could be depended upon to handle anyone's job without loss of time or proficiency. **STRENGTHS:** Airman Dennis is an adroit and conscientious airman blessed with a sense of humor and pleasantness that created a harmonious working environment. His greatest asset is his ability to do the job quickly, efficiently and conscientiously. Airman Dennis is capable of increased responsibility. **EDUCATIONAL AND TRAINING ACCOMPLISHMENTS:** Airman Dennis completed an 8-week postal course, ABA 70231 and successfully passed his 70230 with a qualifying score of 85%.

VII. COMMENTS OF REPORTING OFFICIAL (Be factual and specific. Add any comments which increase the objectivity of the rating.)

FACTS AND SPECIFIC ACHIEVEMENTS: Airman Dennis was assigned to the Admin Section as a cross-trainee from the 30131 career field. With no prior training in administrative duties, Airman Dennis immediately displayed a sincere interest and genuine eagerness to learn. Assigned menial tasks at first, his performance and accomplishment of these duties were far above the expected level. Becoming more familiar with routine and procedures, Airman Dennis progressed rapidly and established himself completely reliable and competent. Unable to use a typewriter at all and the base typing school discontinued, he practiced on his own and became proficient to the extent that he could accomplish all of the typing necessary on incoming and outbound airman clearance requirements. In addition, he has gained experience as postal clerk, tech order maintenance, publications, assignments and distribution procedures. STRENGTHS: Airman Dennis' main qualities are his genuine desire to be useful and capable in his new field. His gentle and quiet manner and his extreme politeness together with his enduring patience are considered outstanding. OTHER COMMENTS: Airman Dennis should be considered for promotion ahead of his contemporaries as soon as eligible.

Re: Terry Dennis  
d.o.b. 10-14-46

Dear Sirs:

We are writing in an attempt to locate the above-captioned serviceman who was stationed at the Dover, Delaware Air Force Base from 1966 to 1968.

Mrs. Karen Dennis has applied for assistance from this Department for herself and one child by Mr. Dennis. She states that her husband was stationed in Dover for about two years. This client separated from Mr. Dennis three years ago. We have no other identifying information other than Mr. Dennis' name and birthdate.

We would appreciate any information that you might have regarding this serviceman's current address, serial number, or social security number. We are enclosing your locator fee.

Yours truly,

CERTIFICATE PERTAINING TO SERVICE OBLIGATION

DATE 29 Jan 65

In connection with my enlistment in the Air Force this date, I am aware that upon entering the Armed Forces of the United States I am required by law to serve on active training and service in the Armed Forces and in a Reserve Component for a total period of six (6) years unless sooner discharged on grounds of personal hardship, in accordance with regulations and standards prescribed by the Secretary of Defense.

I understand that upon separation from my current enlistment I will be transferred, if physically and mentally qualified, to the Air Force Reserve and required to serve therein for a period which when added to time served in this enlistment, will equal a total of six (6) years. Of the time required to be served in the Air Force Reserve, I understand that a period which when added to time served in this enlistment, will total five (5) years, will be served as a Ready Reservist, and the remainder may be served as a Standby Reservist.

I am also aware that while I am a Ready Reservist I may be required by law to:

1. Participate in not less than 40 scheduled drills or training periods and to perform not more than 17 days of active duty for training each year, or
2. Perform annually not more than 30 days of active duty training. I understand that if in any year, I fail to perform such training duty satisfactorily, I may be ordered, without my consent to perform additional active duty for training for not more than 45 days.
3. I understand that my period of obligated service beyond my current enlistment will not in any way preclude my enlistment in the Regular Component of any of the Armed Forces, or preclude my enlistment as a reserve of any of the Armed Forces, if such enlistment is approved.

I have read and understand the foregoing.

agree to the following statements:

Four  
(4)

- My enlistment in the United States Air Force is for a period of \_\_\_\_\_ years.
- That I am not a conscientious objector. (A conscientious objector is a person willing to serve only in a non-combatant status or a person whose religious beliefs conflict with the principle that voluntary enlistees are subject to unrestricted service on a 24 hours a day, seven days a week basis.)
- That I am not guaranteed retention in an assignment for a specific period of time or to a specific geographical location overseas or in the Continental United States.
- That I am not guaranteed transportation for my dependents to overseas commands or government quarters for my family either in overseas commands or the Continental United States except as authorized by existing directives.

Note: The following statement will be used for Non-Prior Service enlistees only. The aptitude area will be filled in by the applicant in ink:

- I understand that my enlistment is for the E. L. Dennis aptitude area and that this is an indication of my probable assignment to a specialty or career field for which I possess the prerequisite scores. I understand that it does not constitute a guarantee or promise of specific training or assignment.
- I further certify that no member of the USAF Recruiting Service has made any written or verbal promises to me except as indicated below in my own handwriting (if none, so state):

4. I have been counseled by MSGT PRENTISS A. ABBOTT and he provided (Recruiter-Salesman) information on financial problems that I may encounter as a result of marriage while serving in the lower airmen grades, which specifically included pay, housing, assignment considerations, limited medical and dental facilities for dependent care, statutory denial of dependent travel, family separation allowances, movement of household goods at government expense, and I understand that additional counseling on this matter will be given me during my basic training.
